

wave80

Maytronics – The trusted name for commercial pool cleaners

Powerful Heavy-Duty Performance

Powerful cleaning performance with exceptional reliability. Maytronics commercial robotic pool cleaners promise, and deliver a long-term, cost-effective operation.

Professional Pool Cleaning

Advanced technologies provide comprehensive scanning of the entire pool and highly effective pool brushing and filtering throughout, for clean, safe, and pure pool water.

Solution for every public pool

With a proven solution for any commercial pool, from small public pools to the largest and professional pools worldwide- Maytronics is the ideal pool cleaner choice.

Service and Support

When you buy a Maytronics pool cleaner, you are also purchasing exceptional customer service and support by Maytronics product experts.

wave80

The trusted name for commercial pool cleaners

Engineered for power, the Maytronics Wave 80 robotic pool cleaner is the ideal solution for small to mid-sized condo, apartment, and neighborhood pools up to 68 feet. The Wave 80 saves you valuable time when it comes to maintaining your facility pool with its easy, plug-and-play operation. This robot is equipped with dual brushes and a center active brush for highly effective scrubbing of the floor, walls, and waterline. With comprehensive cleaning and superior filtering capabilities, you can rest assured your guests are swimming in healthy, sparkling water.
