

AQUALUMINATOR®

LIGHT AND WATER RETURN FOR ABOVEGROUND POOLS

Add brilliant underwater illumination in just minutes.

There's no easier or safer way to illuminate your pool than with the AquaLuminator Light and Water Return. It installs in minutes into your pool's existing water return hole to brilliantly illuminate water and make evening swims a more beautiful and satisfying experience. The water return and light fixture are combined in a single, integrated and highly efficient unit. There's no need to cut new holes and risk violating your pool manufacturer's warranty. You'll wonder why you waited so long to add the entrancing glow of underwater lighting to your pool.

- The energy-efficient halogen quartz light has a rated life of 40,000 hours to deliver maximum value.
- Adding the AquaLuminator Light and Water Return to your pool is truly "plug 'n play." It plugs into a normal outlet, and you get the brilliance of underwater lighting in just minutes for lasting pool beauty and enjoyment.

AQUALUMINATOR® LIGHT AND WATER RETURN FOR ABOVEGROUND POOLS

Vibrant lighting and enhanced water flow for better cleaning performance.

Adding the magic of underwater lighting can enhance and elevate your pool experience.
